We are reminded of trials and tribulations from Allah (swt) and must use this time to continuously pray to HIM for safety and protection from all illness, for guidance to follow HIS way and for success in this life and the next.

During these stressful times, all believers should find comfort in the following verse:

“Say: Nothing will happen to us except what Allah has decreed for us! And He is our Protector, let the believers put their trust in Him!” (9:51)
